

# Student Alumni Profile

**Keyur Patel**  
**Accounting Division**  
**Mulpha Australia**

Keyur is a Master of Accounting from the University of Central Queensland.

He came to Performance English to study his Professional Year - Accounting in March 2009.

Keyur studied in the full time track and completed a 12 week full time internship at an Australian property investment company in their Sydney office.

During the time in his internship Keyur worked hard to make develop his accounting skills and improve his professional approach to every task that he was assigned.

Following his internship Keyur was offered a part time role at Mulpha Australia. Mulpha is a large property investment company that has a broad portfolio of residential and commercial properties under management as well as investments in hotels, education, car parks and vineyards.

Keyur has joined Mulpha as a member of their accounts team. This is a great start with a large Australian property company.

## **Student Commentary**

“I really enjoyed my time at Performance English. I found the work we completed on our cover letters and resumés to be particularly useful for my career development strategy. I am looking forward to building my career in Australia”
