

Private One to One Coaching

One to One Private Coaching is tailored to meet the specific learner needs of individual clients. It is focused toward personal assessment and individual learner goals in all skill areas with particular attention paid to the development of speaking and pronunciation.

Needs Assessments

Individual needs assessments are conducted to identify individual learner difficulties and workplace challenges. The findings of needs assessments are then used in tailored program development and combined with components of the Performance English Business curriculum to design a program with learner specific goals.

Executive One to One Coaching offers personalised language assessment and tuition at a speed that maximises the client's learning outcomes. Tuition may focus on:

- Personal language challenges in reading, writing, speaking, listening, grammar and other areas.
- Pronunciation drills
- Presentation skills
- Entrenched language challenges
- Other topics as requested by the client
