

Student Alumni Profile

Rodolfo Duarte **Professional Business English** **Brazil**

Rodolfo came to Australia to improve his communication skills for his chosen career in Information Technology. He worked at Novell in Sao Paulo and decided to enrol in the Professional Business English course to focus on building his confidence in communicating with clients in English. After a few months in this course, he returned to Brazil to gain employment in a more technical area of his field.

Student Commentary

“Performance English has been the best school I've ever studied at in my whole life. I really enjoyed the time I spent at Performance English among my classmates and teachers. This experience has helped me to develop my professional goal in Brazil.”
